Dear Highlands High School Families,

On Monday, April 21<sup>st</sup>, HHS students will have the opportunity to attend a presentation from the Attorney General's office on the safe and responsible use of technology. The presentation, which includes a short video, will define cyber-bullying, discuss court cases involving cyber bullying, the consequences people face for sending inappropriate pictures and messages over the internet, and what students can do if they know of someone who is being bullied. We are happy to be able to provide this important, timely and helpful information to our students.

There will be two presentations:

9<sup>th</sup> and 10<sup>th</sup> graders from 9:00 a.m. to 9:45 a.m.

11<sup>th</sup> and 12<sup>th</sup> graders from 10:00—10:45.

Parents who do not want their child to participate in this presentation should email me at [crusso@goldenrams.com](mailto:crusso@goldenrams.com) or send in a signed, hand-written note to my attention. (*No phone calls, please.*)

*Thank you.*
